*unis.*

Close your eyes, lit - tle one, — close your eyes, on this world,  
close your eyes — and find that sepa - rate peace, — and bring that  
peace — when you re - turn, and bring that peace — when you re - turn. —

*two-part*

Close your eyes, lit - tle one, — close your eyes, on this world, close your eyes —  
Close your eyes, lit - tle one, — close your eyes, on this world, close your eyes —  
— and find that sepa - rate peace, — and bring that peace — when you re -  
— and find that sepa - rate peace, — and bring that peace — when you re -  
turn, and bring that peace — when you re - turn. —  
turn, and bring that peace — when you re - turn. —

*three-part*

Close your eyes, lit - tle one, - close your eyes, on this world, close your eyes. — and find that sepa - rate

Close your eyes, lit - tle one, - close your eyes, on this world, close your eyes. — and find that sepa - rate

Close your eyes, lit - tle one, - close your eyes, on this world, close your eyes. — and find that sepa - rate

peace, — and bring that peace — when you re - turn, and bring that peace — when you re - turn. —

peace, — and bring that peace — when you re - turn, and bring that peace — when you re - turn. —

peace, — and bring that peace — when you re - turn, and bring that peace — when you re - turn. —

*unis.*

Close your eyes, lit - tle one, - close your eyes, on this world, close your eyes. — and find that sepa - rate

peace, — and bring that peace — when you re - turn, and bring that peace — when you re - turn. —
